

Volunteering with the Friends of South Pass & South Pass City State Historic Site

Carissa Tour & English Tunnel Tour Guides

What would I do?

1. Give tours of South Pass City, the Carissa Mill, English Tunnel & Town Site
2. Demonstrations historic mining technology.
3. Review of historical documents & images for use in interpretive programs.

What skills do I need?

1. Ability to talk with visitors
2. South Pass City Staff will train you!

What is the Schedule?

1. We tour the Carissa Mine, The English Tunnel, J J Marin Stamp Mill & The Flood & Hindle Arrastra.
2. The Schedule varies all summer
3. Take one day or take them all! You will be part of a team of volunteers.

What impact will I have?

SPC has an abundance of unusual features that visitors can only see at SPC. Tour Guides are the best way to get visitors to engage with these unusual items. As a guide you get to answer the question "What is an Arrastra?" then show a visitor how it works with a working water wheel!

How do I sign up?

1. Use the following contact info!

We have a mileage stipend to help with your travel!
